Objective: To persistently improve in all matters professional and personal while diligently managing a top golf course in exemplary fashion. As a student of classical golf course architecture, I endeavor to preserve and improve the intended design and character of a course with sound and modern agronomic and ecological approaches.

Education:

Bachelor of Science
University of Massachusetts, 1993
Department of Plant and Soil Science

Associate of Science
University of Massachusetts, 1991

Certificate of Completion
Integrated Pest Management, short course
University of Massachusetts, 1992

Employment:

Berkshire Hills Country Club
Pittsfield, Massachusetts
Superintendent, 1998 – present

Egremont Country Club
Great Barrington, Massachusetts
Superintendent, 1995-1998

Hominy Hill Golf Club
Colts Neck, New Jersey
Assistant Superintendent, 1993-1995

University of Massachusetts, Amherst
Research Assistant, 1991 – 1992

Pine Valley Golf Club
Clementon, New Jersey
Intern, 1990

Associations: United States Golf Association
Connecticut Association of Golf Course Superintendents
Golf Course Superintendents Association of America
Tillinghast Association, Charter Member
Donald Ross Society
Golf Course Superintendents Association of New England
Past-President, Northeastern Golf Course Superintendents Association
Education and Program Committee
Founding President, Alumni Turf Group
Course Rater, Golweek's Best

Event Preparation:

~2006 **Ryder Cup** volunteer, K-Club Ireland

~2003 Played a significant role in the preparation of the **U.S.G.A. Women's Open** at The Orchards. Assisted the superintendent, Matt Manzi on a voluntary basis in the recovery of the winter damage, recruitment of volunteer pool and daily preparation for the week of the event.

~1995 Played a significant role as the Assistant at Hominy Hill GC in Colts Neck, NJ in the preparations for the **U.S.G.A. Women's Amateur Public Links**. This was the 100th anniversary of the U.S.G.A. and was therefore presented and televised in the same fashion as the Major events.

~General Prepared for numerous regional, state and local championships and qualifiers and treat each as though, a U.S.G.A. event.

"For us to shoot a 67 on a course that was playing like a PGA championship caliber course is just unbelievable"

Jerry LaPlaca after winning the Berkshire Hills Pewter Cup four-ball championship Sunday June 25th 2000.
Berkshire Eagle, Tom Ryan, Monday June 26th 2000

Interests:

Golf Course Architecture, Photography, Hunting, Fishing

Connecticut Licensed Pesticide Supervisor
